### STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Newington in the County of Rockingham and said State, qualified to vote in Town affairs:

You are hereby notified to meet at the Newington Civic Center in said Town on Tuesday, the 13th day of March next at Ten o'clock (A.M.), to act upon Art. 1.

The polls will be open at Ten o'clock (A.M.) and unless extended by vote at the meeting, will close at six o'clock, (P.M.)

The Town Meeting will resume at Seven-thirty, (P.M.) to act on ensuing Articles.

1. To choose in the manner provided by law, one selectman to hold office for three years; a Town Clerk; Overseer of the poor; Town Treasurer; Highway agent; Collector of taxes; Superintendent of Water Works; one Library Trustee to hold office for three years; one Trustee of Trust Funds to hold office for three years; Chief of Police.
2. To choose measurers of wood; surveyors of lumber; fence viewers; a pound keeper; constables and all other necessary town officers.
3. To see what action the Town will take for care and maintenance of Town land and buildings.
4. To see if the Town will vote to authorize the Selectmen to administer or dispose of any real estate acquired or to be acquired by the Town through tax collector's deeds.
5. To see if the Town will vote to authorize the Selectmen to hire money on the credit of the Town in

anticipation of taxes, at a rate not to exceed the current bank rate.

6. To hear the report of the Budget Committee and act thereon.

7. To see if the Town will vote to adopt by-laws relative to the operation of public bowling alleys on Sundays pursuant to RSA 578.

(A) Proposed BY-LAW in Connection with Article No. 7.

It shall be unlawful for a bowling alley to remain open for business past the hour of 12:00 mid-night on Saturday and to open for business on Sunday prior to 1:00 P.M.

8. To see if the Town will vote to adopt by-laws relative to licensing fees for dance halls, bowling alleys and outdoor theatres.

(A) Proposed BY-LAW in Connection with Article No. 8.

(1) Prior to April 1, annually, each owner or operator of a public dance hall, bowling alley or outdoor theatre shall secure from the Selectmen of the Town a permit for operation of the same.

(2) That said permit shall cover the period commencing April first of the year of issue, or from the date of issue, through March 31 of the following year, unless sooner revoked.

(3) That the issuance of said permit shall not detract from any rights, privileges, or duties of the owners or operators of said public dance halls, bowling alleys or outdoor theatres in effect by virtue of ordinance, by-law, regulation or other law prior to the enactment of this by-law nor shall the issuance of said permit be construed to confer upon said

owners or operators additional rights, privileges or duties not heretofore in existence.

(4) The fees for said permits shall be as follows:

- (a) Dance Halls — \$50 per year.
- (b) Bowling Alleys —
  - (1) Year Round Operation — \$10 per alley per year;
  - (2) Seasonal, or in connection with hotel or resort operations — \$4 per alley per year.
- (c) Outdoor Theatres — \$1 for each day of operation.

The following Articles, marked with an \*, are submitted by the Newington Planning Board — Thomas B. Heavner, Chairman, Lawrence Volz, Percy E. deRochemont, John F. Rowe, Stillman A. Packard 3rd, George J. Newick, William F. Mott, Sect'y.

\*9. To see if the Town will vote to change Article IV, Section 9 as it appears on page six (6) of the printed Zoning Ordinance for the Town of Newington, by deleting the words "sixteen thousand square feet in area, with a minimum frontage of one hundred feet," and substituting in their place, "twenty-four thousand square feet in area, with a minimum frontage of one hundred and fifty feet," so that the corrected paragraph will read as follows:

9. Minimum land area. No lot for any building shall be less than twenty-four thousand square feet in area, with a minimum frontage of one hundred and fifty feet, unless in a planned subdivision approved by the Planning Board.

\*10. To see if the Town will vote to change Article IV, Section 3 as it appears on page five (5) of the printed

Zoning Ordinance for the Town of Newington, by deleting the words "twenty-five feet" where it appears on line three, "a yard having a minimum depth of twenty-five feet" and again on lines seven and eight, and substitute therefore the words, "fifty feet" so that the corrected paragraph will read as follows:

3. There shall be between the nearest side of any main highway, and the extreme front of any building, a yard having a minimum depth of fifty feet, provided that no such front yard need be deeper than the average of the depths of such yards on lots next thereto on either side. A vacant lot, or a lot occupied by a building with a yard more than fifty feet deep, being considered as having a front yard fifty feet deep. No building shall be located nearer than ten feet of its side property line.

\*11. To see if the Town will vote to establish a cemetery committee, which shall serve as a permanent committee to administer and supervise the business and affairs of the cemetery.

The cemetery committee shall consist of three members, appointed by the Selectmen for a term of three years each. The initial appointments will be one member for one year, one for two years, and one for three years. Thereafter, appointments shall be for the full three year terms.

\*12. To see if the Town will vote to amend Article IV, Section 12 as it appears on page six (6) of the printed Zoning Ordinance for the Town of Newington, by striking out the whole thereof and inserting in its place the following:

12. Every dwelling unit shall have a minimum ground floor area of eight hundred (800) square feet except that dwellings having a living space on more than one floor above the basement may be reduced in

ground floor area to seven hundred (700) square feet, camps for summer or seasonal use only, may have a ground floor area of not less than five hundred (500) square feet. Open porches, garages, etc. shall not be included for the purpose of computing ground floor area. Permits for any such unit having less than seven hundred (700) square feet shall be subject to the approval of the Board of Adjustment, as being of suitable construction and not detrimental to the area where the same are located.

\*13. To see if the Town will vote to amend Article VI, Section 8 as it appears on page seven (7) of the printed Zoning Ordinance for the Town of Newington, by striking out the last two words and adding the following, "Board of Adjustment and ruling that the same shall not be detrimental to the neighborhood and shall not create or constitute a fire, health, traffic or other hazard" so that the same shall read:

8. Trailer camps or mobile home subdivisions, except that such use shall only be permitted after a public hearing by the Board of Adjustment and ruling that the same shall not be detrimental to the neighborhood and shall not create or constitute a fire, health, traffic or other hazard.

\*14. Polls for the election of Town Officers to be open at 12:00 Noon, and remain open until 7:30 P.M., except for a reasonable closing for the attendants to take supper, such time being determined by the Moderator.

The meeting for the consideration of the Town Warrant will commence at 7:30 P.M. and continue until 9:00 P.M. at which time it will temporarily recess for the School District Meeting to take place.

At the close of the School District Meeting, the Town Meeting will reconvene and continue its usual business.

By a majority vote, on motion duly made, polls for the

purpose of voting may be reopened briefly, immediately after the adjournment of the School District Meeting.

The counting of the ballots will in no event take place until the other Articles in the Warrant have been considered.

15. To hear the report of the Town Clerk on the results of the election of Town Officers.

16. To transact such other business as may legally come before the meeting.

Given under our hand and seal this 21st day of February in the year of our Lord, one thousand nine hundred and sixty-two.

We hereby certify that on this Twenty First day of February 1962, we posted a true and attested copy of the within Warrant at the place of meeting within specified and a like copy at the Meeting House, a public place in Town, and delivered the original to the Town Clerk.

JOHN E. HOLDEN, Chairman  
PHILIP E. GRANT,  
STILLMAN A. PACKARD, 3rd,  
Board of Selectmen

## **REPORT OF LANGDON FREE PUBLIC LIBRARY**

**1961**

**Hours Wednesday and Saturday 2-5 P.M.**

---

It is a pleasure to report that people are reading more. There is always a book to help you if you know where to find it, and it gives Mrs. Pickering a real satisfaction to help you find it. During the year a goodly number of reference books have been added, and a partial list is included in the report. As more reference and research books are needed, the library is always ready to cooperate either by purchase or borrowing from the State. The regular visits of the bookmobile broadens your selection in all classes. Always the emphasis is on books for young people as they are our best customers. In the year ahead we plan to buy more science books at all levels, and more teen-age books. Memorial books are an effective contribution to the growth and enrichment of the library. A book does not wither in a day.

Only one library evening was held during the summer when Dr. John N. Feaster reminisced on "Boners I Have Pulled While in the Ministry", in his usual lively style. Members of the Summer Library School at U.N.H. were invited guests. If attendance would warrant it, we should be pleased to arrange more such evenings. The librarian is glad to open the library for study groups as the P.T.A. or other educational groups. The possibility of opening the library for a short period on a third afternoon to improve services for the high school students is being considered. We appreciate the continued cooperation of the superintendent, principal, and teachers in our school. Thanks to the fine cooperation of the school board in providing transportation for the children to the library twice a month during the school year, we continue to show selected films furnished by the State free

of charge. A book display truck has been added to our permanent equipment, and the long needed telephone will soon be installed.

National Library Week was observed in April with an impressive book and poster display at the Civic Center on the Church Family Day. Our thanks to Mrs. Sanborn from the State Branch Library in Exeter for her help in arranging the exhibit. A discussion group and a film showing were also held at the library.

In July Mrs. Pickering again attended the three weeks course at the Library School at U.N.H., which is a source of useful knowledge and stimulation. Langdon Library was represented at the State meetings in Concord and the area meetings in Exeter.

A survey and study of Library Service in New Hampshire, requested by Governor Powell and authorized by the State Librarian and Library Commission, was undertaken by Professor John Holden, Mr. Joseph Ford and others. Their report concerns all New Hampshire libraries. It concerns Langdon Library. A copy is available at the library table, and we urge you all to study it. Your librarian was invited to serve as a panel member at the meeting of librarians in Exeter to discuss this report.

1892 was a busy year in Newington. The town was watching the building of Langdon Library with interest and a great deal of pride. Do you ever think what the library has meant to the community through the years, or what it would have been like without the library? 1962 will mark its 70th birthday, and we expect to observe it in various ways. What the library needs most in 1962 is YOU — your presence and interest to add to its usefulness and vitality. Our aim for 1962 is to have every person in town visit the library to register good will, and to say "Happy Birthday!"

Gifts received during the year:

Magazines and posters from Miss Doris Beane  
“A Brook of Our Own” (autographed) from Mrs.  
Marjorie Harkness

Thanks are due to Dr. Feaster, the school board, Mr. Warren Witham for planting the urn, Mrs. Edna Garland for book service in South Newington, to Mrs. Jeanette deRochemont and Mrs. Lydia Frink for various courtesies, and to all others who have helped to make the library a pleasant place to come.

The trustees wish to commend Mrs. Pickering for the vital interest she brings to her work, and for the services so willingly and cheerfully rendered for the betterment of the library.

Respectfully submitted,

DORIS BEANE,

MARGARET PICKERING,

FLORENCE WATSON,

Library Trustees

## REPORT OF THE PLANNING BOARD

---

Your Planning Board agreed upon six subjects with which they would concern themselves during the year—exclusive of any requests for action within their purview, which might come to them during the year.

Realizing that each of these subjects would require considerable research, it was determined that the best approach was through separate committees who would explore the subjects in detail and report their findings to the committee as a whole. With these facts, in hand, the committee as a whole could then determine what, if any, action would be recommended to the Town.

In pursuance of this, the Chairman appointed six committees of three members each to investigate each subject. Each regular committee member chairmaned one committee and additionally served on one or more other committees.

The end result has been six articles in the Warrant for this year's Town Meeting, which your committee commends to you as being in the best interest of the Town's present and future welfare.

Plans for an up-to-date Zoning Regulation Booklet, including corrections and any changes since the last book are complete and will go to press shortly after Town Meeting. The new booklet will be slightly larger than the previous one, but still a convenient pocket size. The master map of the Town will be larger and brought up-to-date. The booklet will be so arranged that future changes in Zoning or variances may be printed and distributed so that they may be added in the manner of a loose leaf binder.

Secretary

## **NEWINGTON VOLUNTEER FIRE DEPARTMENT ANNUAL REPORT**

---

In 1961 the Fire Department was called out to ten fires. Of these, two were grass, two automobile, one chimney fire, two building fires and three out of town. Of the fires in the Town of Newington, the damage was very slight. The largest fire we were called upon to fight was the fire caused by the burning of rubbish or torn down building on top of Beane's Hill. This fire necessitated calling for assistance from the Interstate Emergency Unit. We are very fortunate to belong to this unit and to be able to call upon them in time of need for extra trucks and manpower.

During the past year the Fire Department has conducted a fire prevention program, highlighted by an open house held at the fire station, with the State Forestry Department Safety Officer in charge of the meeting, being ably assisted by Smokey the Bear. This program made a big hit with the children. We also put on a fire prevention program in the school this past year.

The New Hampshire State Fire Fighters Training Program was passed by the Legislature, and Newington will take advantage of this program as soon as the instructors are available for instruction on a local level. We conducted training programs at our monthly meetings, which are held the third Thursday of each month.

Our apparatus and equipment are in very good condition. We were able to purchase 500 feet of  $2\frac{1}{2}$ -inch hose to add to the supply on hand.

The Fire Department has been very active in taking part in any Civil Defense tests or drills which have been held during the past year.

The Fire Department telephone number is GEneva  
6-5737. THIS NUMBER IS TO BE USED ONLY FOR  
REPORTING A FIRE.

WILLIAM J. YOUNG, Chief  
Newington Volunteer  
Fire Department

## FOREST FIRE WARDEN'S REPORT

---

### AN APPEAL FROM YOUR FOREST FIRE WARDEN

In these days of constantly rising taxes and wages, any unnecessary expense is an added burden on everyone's pocketbook — yours and mine. Forest fires cost money and damage our valuable woodlands. Lightning sets some forest fires, but we have no control of lightning. Children cause many fires. Ninety-eight percent of our forest fires result from human carelessness — our carelessness. This, we — you — and I can do something about.

When we require you to obtain a permit for out-of-doors burning or forbid you to burn on days of high fire danger or set up regulations — hours, etc., governing the use of the town dump we are simply protecting yours and the town's interests.

The ever present threat of forest fires is the concern of all of us; the responsibility for preventing them is ours and the costs of extinguishing are ours. We can do something about this problem, by being aware of and alert to the danger and by cooperating with your warden.

Do the things that are required of you —

1. Follow the warden's directions.
  2. Secure the required burning permit.
  3. Keep your fires under control.
  4. Completely extinguish your fires before leaving them.
  5. See that your children are properly cautioned.
- Everyone will benefit by it.

## REPORT OF THE SCHOOL COMMITTEE

1961 - 62

---

The Newington School Board is happy to report a fruitful, harmonious school year. This achievement is primarily due to the dedicated, devoted, and cooperative service of the following staff of administrators, teachers, custodian, and transporters:

Robert Brunelle, Superintendent of Union 56.

Donald Brewster, School Principal and teacher of grades 5 and 6.

Mrs. Dorothy Davis, teacher of grades 3 and 4.

Mrs. Margaret Pickering, teacher of grades 1 and 2.

Miss Barbara Burrill, teacher of music.

Mrs. Marjorie Moore, school nurse.

Mrs. Louise Young, teacher of ceramics.

Ernest Kaddy, custodian, to whom special thanks is due for his maintenance of the skating rink and his supervision of basketball practice outside of school hours.

Walter and Phyllis Pickering, transporters.

We are fortunate indeed to have our children in the hands of such a conscientious and competent team.

A highlight of the year was the special New Hampshire Assembly last May at which Governor Wesley Powell was our honored guest and speaker. The Governor presented the Newington School with a handsome New Hampshire flag. The children prepared a huge wall mural of New Hampshire occupations and a large, scale map of the State. Speeches were made by selected students, New Hampshire songs were sung, and ceramic gifts made by the children were presented to the Governor in appreciation of his visit.

In accord with a vote at the annual Town Meeting, all first grade pupils were dismissed at 2:00 p.m. each day and transported to their homes. This proved a wise

innovation as evidenced in decreased absenteeism among this group and it will be continued next year.

Major purchases for the school during the year included a power lawn mower, a 1500 watt quartz light to illuminate the skating rink, and mats for the activity room. More athletic equipment and furnishings will be ordered for the activity room before the end of the school year. A drainage ditch was dug and filled along the embankment behind the school and along the skating rink to take care of excessive run-off. Minor repairs and replacements were made as the need arose.

Liability insurance was added to cover all persons who may transport school children at any time. Boiler explosion and inspection insurance was purchased to cover damage and bodily injury and to insure frequent inspection of the boiler by qualified engineers.

After months of deliberation and study, the School Board adopted a fixed salary schedule for teaching personnel with a minimum salary set at \$4,000.00, policies were set and allowances made for sick leave and for substitutes. This schedule allows for regular annual increments and is in line with those in effect in surrounding area towns.

The School Board has renewed a three year contract for transportation with Walter and Phyllis Pickering and wishes to express its satisfaction and good faith in their services for the past three years. During this time, the transporting of our children has proceeded smoothly and efficiently with fewer complaints than ever before in the experience of Board members.

The School Board meets in open meetings on the third Friday of each month at 7:30 p.m. at the School. Parents and citizens are cordially invited to attend at any time.

## **REPORT OF THE SUPERINTENDENT OF SCHOOLS**

---

To the School Board and Citizens of Newington:

Once again it is my pleasure to report to you concerning education in your community. It has been a good year with continued progress.

The teaching staff has changed in two out of three positions. Mrs. Margaret Pickering, first and second grade, continues to perform her vital duties for the children new to education with all its bewildering facets that face a child when he, for the first time, engages in organized learning. She is a valuable member of our faculty with her years of experience and intimate knowledge of the community.

Mrs. Dorothy Davis, a graduate of Bryn Mawr with additional study completed at the University of New Hampshire and Keene Teachers College, is now teaching in grades three and four. Mrs. Davis is new to teaching and has made a fine adjustment to a demanding, complex task.

A new principal, Mr. Donald Brewster, has also become a member of the school staff. In addition to teaching the children in grades five and six, he is also responsible for the day to day operation of the school. He is doing a fine job. We are indeed fortunate to have a man of his ability administering the school.

The curriculum continues to stress fundamentals as in the past. This year we have added new textbooks to our school in an amount that will supply each student with materials that are up to date in all subject matter areas.

Enrichment of the curriculum continues to be supplied through visits to the library on a regularly scheduled basis, weekly instruction under the direction of a quali-

fied music teacher, and ceramics under the able direction of Mrs. Louise Young. The school budget for next year includes provisions for the services of an art teacher and a teacher in the handwriting field. I, personally, feel the addition of art and handwriting is another forward step in providing good education for the youth of Newington.

One thing I want to mention is the adoption by the School Board of a Teachers Salary Schedule for the Newington School District. This schedule is designed to attract and keep good teachers, based on the salaries that teachers could receive within our geographical area. I believe the institution of this schedule will do two things in addition to the foregoing: It will enable a teacher and the School Board to have some indication of what a salary would be; it will give a semblance of order and continuity to the salaries that are paid.

The 1962-63 Proposed School Budget has increased a total of \$97.25 over last year in terms of actual tax dollars. The expenses for school purposes increased a total of \$3,347.25, while anticipated receipts have been "pegged" at a figure of \$2,060.12, which is \$3,250.00 above that of last year.

An analysis of the proposed budget follows:

1. Superintendent's Office: Due to a larger share for Newington, which resulted from the new equalized valuation figures, this expense was increased. Salaries were also raised for the Superintendent and staff members.
2. Addition of art and handwriting teacher.
3. School Department will act as payee for the Town of Newington insofar as Mr. Kaddy's salary is concerned. The Town will reimburse the School District in full for all salary payments.

4. New equipment next year has been increased to provide such items as movable blackboards for each classroom, additional gym mats for the activity room tables, and provisions for a T.V. antenna which will enable the teachers to make use of educational programs broadcast over Channel 11.

The morale and school spirit are on a high plane. The teachers and pupils enjoy their school — learning is enhanced because of it.

Every year I include in this report to you a section in which I extend my thanks to those people and organizations who have aided the school and district. This year I once again wish to extend my thanks to the teachers, the school nurse, the Parent-Teachers Association, Mr. Kaddy, the school transporters, Mr. Pickering, and the Trustees of the Langdon Free Public Library for their cooperation and support.

To you, members of the School Board, I once more wish to extend my personal gratitude for your interest and dedication to the education of the children in Newington.

Respectfully submitted,

ROBERT L. BRUNELLE,

Superintendent of Schools

Health Talks in Classrooms often throughout the year.

I enjoy my bi-monthly visits to this school and find that illness, on the whole, is minimized in this Community. I feel an aura of well being in the atmosphere here. I also enjoy knowing your children and am pleased

to share the privilege of responsibility of their welfare while in school.

I recommend you send notes to school or contact the school when your child is absent so we will know what illness to watch for. I also recommend you keep your child home at the onset of a cold or when he has other symptoms of illness. Buses are close, classrooms are warm, desks are near to one another and colds or other illnesses can spread so easily this way.

I express my sincere appreciation to Supt. Robert Brunelle, our last years teaching staff as well as Mr. Brewster. Mrs. Pickering, Mrs. Davis and citizens of Newington, and school children for your alertness, cooperation, and understanding at all times.

Respectfully submitted,

MARJORIE MOORE, R.N.,

School Nurse-Teacher
